Sharp Spur in Certain Western Railway Shares.

Bank Statement Shows a Loss in Reserve of \$5,227,800.

\$2,600,000 Gold Exported on One Steamship—The Quotations.

WALL STREET, Saturday, May 7.—The opened with a sharp spur in the Omahas on a report that the Northwest directors have in contemplation a plan for the exchange of shares of Northwest for two shares of Omaha. The market was made to tremble by the in the neighborhood of 15 to 20 percent, and preferred stocks to 160. American Sugar took a jump of 16 per cent., the common settling at 91 1/2 and preferred at 84 1/2. Chicago Gas was also buoyant and rose to 80¢ on large transactions.

There were a few weak spots. Lakawanna broke from 15 1/2 to 15 3/4, and subsequently rallied to 16 1/2. The other eastern railroads fell 1 1/2 per cent., and for a time it looked as if the whole line would yield under the pressure. The bears tried their hands at breaking the market, but were unsuccessful. Some shares in the closing dealings sold higher than before.

The extension of time for the deposit of Richmond Terminal securities until May 16, under the Omahans' plan of reorganization, had no effect on the securities outside of the city, while the market for the same in the city services, but were unsuccessful. Some shares in the closing dealings sold higher than before.

The bank statement was unavailing showing a loss of 10 reserves of \$2,627,800, loss of 100,000 in capital, and a decrease of \$2,190,000 in legal funds \$1,925,700, and deposits \$1,604,000. The loss in reserves is due principally to the heavy exports of gold and silver bullion, which, however, still hold \$1,148,800 in excess of legal requirements.
